

A minimalist floor plan of a rectangular garage. The word "GARAGE" is centered in a large, bold, black, sans-serif font. The room is defined by a thick black border. Outside the main rectangle, there are several thin black lines representing walls or structural elements: a vertical line on the left, a horizontal line at the top, and a vertical line on the right. There are also some small horizontal and vertical tick marks along the outer edges of the main rectangle.
